The Director of Central Intelligence

Washington, D.C 20505

Critical Intelligence Problems Committee

24 April 1984
DDW 59Weekly Activities and Status Report for DD/ICS--25 April 1984CIPC Organizational Activities

- The CIPC met on 23 April and discussed the Critical Intelligence Needs identified by the respective members. In essence the Committee concluded that the large list of Critical Intelligence Needs be remanded to the CIPC Staff for consolidation and prioritization. The staff is to specifically develop Category I (by highest priority) and Category II type requirements with each category consisting of 5-6 prioritized Critical Intelligence Needs based upon the members written inputs and those needs discussed at the CIPC meeting. The new list of Critical Intelligence Needs will be forwarded to the members for their review and comment within a week.
- The next CIPC meeting is scheduled for 21 May 1984. It is anticipated that the Terrorism and BDM Studies will be tabled for discussion and approval at this meeting.
- [] is attending the Washington Area Operation Centers Conference 25X1 from 23-26 April.

Narcotics Activities: []

- On 19 April, [] attended the monthly Narcotics Warning Meeting. At this meeting, [] was introduced as the new Assistant NIO/Narcotics. [] is formerly Chief, Economic Resources Division, Office of Imagery Analysis/DDI. [] is a member of the CIPC Working group and has worked closely with COMIREX [] [] also contributed a paper to the CIPC Narcotics Study which we included as Appendix V.

China Study: []

25X1 25X1

● The major rewrite of the China Study continues. The [] subgroup chairmen have completed rewrites of their respective sections. [] are presently fine tuning these sections and melding in various comments from the working group and other substance. Although, [] has not formally been reinstated, [] is working this section--taking out inappropriate policy statements--giving it appropriate focus in the event it is decided to include [] assimilation and retransfer. It is anticipated that at least another 1-2 weeks are required before another draft will be available for review.

CBW Working Group []

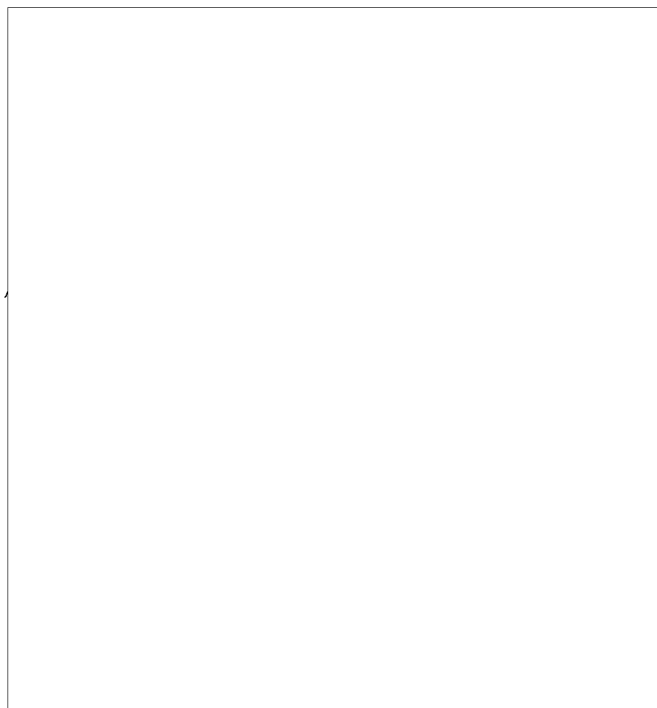

● Comments and changes to the first draft, plus inputs to the recommendations section of the paper, were due on 18 April. [] has incorporated the changes and [] has compiled the recommendations; draft #2 is being typed at CIA for distribution at the 25 April working group meeting--the fourth meeting of the group. As of now, the working group is on schedule to present its findings to the May CIPC meeting.

Narcotics Panel: []

● [] has been given new marching orders and will prepare a new (and shortened) version of the Panel Report.

Terrorism Study: []

● The Terrorism Working Group met yesterday to review the latest draft report. It appears that the report is now complete from a substantive point of view. All that remains to be done is fine tuning it.
